

Dear Parents,

This term we will be running extra-curricular computer sessions at your child’s school.

At our computer clubs children learn the skills they need to gain the **maximum learning benefit** from modern technology. We bring the latest multimedia laptops into school, and the children who join our club will be tutored using a wide variety of the **best educational software available**.

Course and lesson structure

- Our courses (see overleaf) are designed to expand upon the work done in school by your children.
- Each course has **specific technical objectives**, and a printed certificate is awarded on completion.
- **Classes are small** (max 12) - so there is plenty of individual attention.
- Lessons are supplemented by specially selected educational tasks & activities- **which are great fun!**
- Problem solving, creative design & lateral thinking skills are all encouraged and developed - as the children work through activities **tailored to their ability and interests**.
- Most children work through a course in pairs, which promotes teamwork and collaborative learning.

How to join?

If you would like your child to come to Technokids please complete the application form below and send it with your payment (by cheque) to the address at the bottom of the page. The day, times & fees for our sessions vary between schools, so please call the office* for more information. Please note that course fees are payable termly in advance.

Computers have an increasingly important role in education. Our interactive courses can capture your child’s imagination and give them the skills they need to master a world of learning opportunities.

Yours sincerely,

Bruce Harrison

Please note:- there are a limited number of places available - all applications are treated on a first come first served basis.

Technokids Computer Club Application form

I would like my child to attend Technokids computer club

SchoolSchool year group

Child’s name.....Child's date of birth.....

Address.....

CLUB REGULATIONS

Attendance. For afterschool clubs, parents are asked to adhere strictly to the official lesson times. If any person other than a parent will be collecting a child, parents must advise Technokids in advance. If you wish your child to travel home alone, Technokids must have a letter discharging responsibility. **Valuables etc.** Children should not bring money or other valuables to Technokids. Nor should they bring sweets or drinks of any kind. **Term Fees.** Term fees must be paid before the start of lessons.

No reduction or refunds will be made for occasional absence or illness. Credits or refunds will only be issued if a lesson has been cancelled by Technokids.

Parent's signature.....

Cheques should be made payable to "Technokids" and sent to **Technokids, PO Box 358, Teddington, TW11 0WH**

*Enquiries: 020 8941 2848/ info@Technokids.co.uk

Please do not give in to the school office.
